OFFICE OF LEGISLATIVE COUNSEL

Sig. J. A. [unclear]
Tuesday - 3 July 1963

1. [redacted] Talked with [redacted] at length
and in detail concerning our early retirement bill. Obviously he has
been studying the specific provisions and since he is unfamiliar with
the Foreign Service retirement system he asked a number of questions
which I attempted to answer. In addition, he requested that we annotate
a copy of the bill to indicate where the wording was a direct lift from
the Foreign Service Act and in other parts to indicate source of language
and whether the language, if different, was more liberal or more
restricted. This will be provided him.
